

Once upon a time

Dm **B^bm**
Come on little children, sit by fire,
Hm **Am** **Dm**
do you want to hear a fairy-tale?

A **Dm**
1. Once upon a time,
A **A5+ A**
there was a princess,
Gm **A** **A5+ A**
behind seven lakes, her castle lies.
Dm
Once upon a time,
A **A5+ A**
she was proud and honest
Gm **A** **Asus2 A**
no evil shall lie, not in her land.

C **D** **G**
Why can't we live like in a fairy-tale,
C **D** **Em**
where evil always surely dies,
C **D**
and you can always tell
G
who's white, who's black?
C **D** **Em** **Cm** **Gm**
Please who can tell me why, why, why...

2. Once upon a time, dragon came fearless,
just in the last minute,
prince arrived to fight.
Once upon a time,
he married the princess,
and they lived happily, until they died.

Why can't we love like in a fairy-tale,
where love stays for whole life?
Why do we have to quarrel and hate?
Please who can tell me why, why, why...

Dm
And as the moonlight
B^bm
fills the scene,
Dm **A**
I close my eyes and start to dream,
Gm **B^bm**
with mighty sword and on a horse,
Em75^b **A**
I am a hero of a fairy-tale.

Solo: **Dm A A5+ A Gm A A5+ A**

3. And we will live like in a fairy-tale,
no hatery shall disturb our live,
we can bring peace and love to every male,
and my friends we will fly, fly, fly...
Em **Cm** **Gm**
Fly high, high, high...
